AKKARAI SEEMAI AZHAGINILE

Music transcends borders, cuts across hearts and connects everyone.

The recent trip by RANJANI GAYATRI to the United States of America as part of their RAAGA BY RAJA concert series left everyone spell bound, to say the least.

That they have been smashing records in the field of carnatic music needs no mention. However, this recent addition to their CALENDAR has been absolutely pleasant, to say the least. Merging carnatic ragas with film music may not be an entirely new concept; however, crisp sangadhis, gliding between octaves and traversing across different genres only as comfortably as they can is an EXPERIENCE TO BE CHERISHED FOR, LIVE!

In case you have not been witness to one of these concerts by the duo, do make sure that you catch them the next time around.
