## PP'S BANGALORE 1ST JAMALONG ANNIVERSARY - GRAND SUCCESS

The PP Bangalore Chapter's 1st Anniversary Meet held last week (22nd July 2023) was a dream come true moment for many who have been traveling with the Bangalore Jamalong team for a year. The collective feedback from everyone who attended the meet was that it was a memorable and unforgettable experience. The unplugged concept was definitely something that not many people from the Bangalore Chapter had experienced earlier.

Add to it, the joy and excitement of seeing all of the Mentors from Chennai, the Mini Concert created by Uday Prakash and then the icing on the cake - the magical session created by Nagu Bhai and our Aasan, Koushik sir, was intense and deep. After an almost trance like state, the 60 voices seemed to sing in unison, when Aasan took us on a Raga Travel with Pantuvarali. People like me, would have never imagined we would be able to sing classical phrases with such ease. A meditative phase indeed. What to say of the 1st Hybrid Show? - a tough song, split into detailed small parts and demonstrated with visual examples to enable us to understand it better - our first hybrid show in Bangalore proved to be a RUNAWAY HIT. What else could you expect when you have seasoned pros like Nageswar and Sushmitha?

In all, it turned out to be a FEATHER ON PP's cap. Together we shall scale greater heights.

## MUSICAL COUPLE - UDHIRAA

We have a lot of singers around, waiting to make it big in the world of films. Lending our voice to the actors and actresses that we see on the silver screen is a SPECIAL FEELING and isn't something that happens in an everyday basis.

Picture this- it has taken almost 3 years for our mentor RAAGA's song to get released.. and now, with the AUDIO RELEASE of the movie THEN TAMIZHAGAM, in which she has sung a beautiful number, she has officially become a PLAYBACK SINGER

We wish her more and more accolades in the days and years to follow.

If the celebrations started with RAAGA, her better half and our team mentor/ music director and magician- as we fondly call him- UDHAYA PRAKASH gave us more reasons to celebrate, for one of the movies in which he has sung RAAKADHAN also witnessed a release.

He hasn't just stopped with 1, but music director PRAVEEN has given 3 beautiful and soulful numbers in the voice of our own UDHAYA PRAKASH.

AT TEAM PADIPPARIVOM PADIPPARIVOM, the celebrations have just started.... and when we want to make people truly happy, what other tool other than music could aid us?
